

## **The Church is not supposed to operate without the Holy Spirit**

You are not supposed to do this by yourself alone.

This is why I have sent My Spirit within you —

the light within you, to guide you into all truth.

He will help you to see things which you cannot by your own imagination.

And when you see them, you will have evidence —

evidence of things which are not present in the physical realm.

Then you will be fully persuaded.

That is faith being developed in your spirit —

the faith of God which creates things.

And when you start living by faith, it pleases Me.

This faith will come when My Spirit opens your eyes and reveals My Word to you.

And as you dwell on My Word, which will never pass away, faith will increase.

There will be a time when the body of Christ will come to the unity of faith —

faith that pleases Me, like My only beloved Son.

Continue to work with the Holy Spirit.

He will lead you to walk victoriously —

in the victory that I have provided.
